G#m	B	
Come on skinny love just last the year		
B		
Pour a little salt, we were never here		
B	G#m	B
My, my, my, my, my, my, my, my		
B	F#	G#m
Staring at the sink of blood and crushed veneer		

G#m	B	G#m
Come on, I tell my love to wreck it all		
G#m	B	G#m
Cut out all the ropes and let me fall		
B	G#m	B
My, my, my, my, my, my, my		
F#		G#

Right in this moment this order s tall

B

And I told you to be patient

F# **E**

And I told you to be fine

B

And I told you to be balanced

F# **E**

And I told you to be kind

B

In the morning I ll be with you

F# **E**

But it will be a different kind

B

And I ll be holding all the tickets

F# **E**

And you ll be owning all the fines

G# **B**

Come on skinny love what happened here

G#m **B** **G#m**

We suckled on the hope in light brassieres

B **G#m** **B**

My, my, my, my, my, my, my, my

B **F#** **E**

Sullen load is full, so slow on the split

B

And I told you to be patient

F# **E**

And I told you to be fine

B

And I told you to be balanced

F# **E**

And I told you to be kind

B

And now all your love is wasted

F# **E**

And then who the hell was I?

B

And I m breaking at the britches

F# **E**

And at the end of all your lies

B

Who will love you?

F# **E**

Who will fight?

B

Who will fall far behind?
