

All I Want
Sarah Blasko

Ok, the first one i posted was a little off (at the time when i posted it i didn't have my guitar on me and didn't get a chance to test it). So i've made some changes and think it's alright now. I haven't really structured this very well, but the order is right, just play it along with the song for the right timing...enjoy

sorry i don't know what one of the chords is called, but i'll label it as # its of the shape

E-0
B-1
G-2
D-3
A-0
E-0
