Am9: 002233

Em9: 022033

F#m9: 200033

G

Am9

Fallen like a soldier, tragically you are at war you think youâ€™re not.

G

Caught within a fragment of yourself

Am9

Do you think youâ€™re something you are not?

Em9

Oh you look like a lover

F#m9

G

You feel like a nervous wreck

Em9

And it cuts in the night

F#m9

Am9

It hurts like an oversight

G

D

You long to feel the most amazing things

Em9

F#m9

But youâ€™ve come undone â€™cause you have held it in

G

D

Your eyes have seen the most amazing things

(chords as above)

Falling like a rock into an ocean

There is something you forgot

Only you decided that you had to go and fight until you lost.

Oh you looked like a fighter

You couldnâ€™t recognise yourself

Now youâ€™re cursing the night

Youâ€™re watching the seconds die.

G

D

You long to feel the most amazing things

Em9

F#m9

But youâ€™ve come undone â€™cause you have held it in

G

D

Your eyes have seen the most amazing things

Em9

F#m9

And this love you fear is such a precious thing.

G

Tonight

D

Tonight

Em9

Tonight

F#m9

Tonight

G

D

You long to feel the most amazing things

Em9

F#m9

But you've come undone 'cause you have held it in

G

D

And your eyes have seen the most amazing things

Em9

And its so

F#m9

And its so

Enjoy.
