Em/A C^7 Em/A C^7 I thought about it tonight, I'm lucky to be alive I never thought these city lights would ever shine so bright Floating on the surface, threatened to be dragged down I thought I was lost forever, it turns out I'm alright

Cadd9Cadd9/ACadd9Cadd9/ASweetest November, winter wasn't here foreverCadd9Cadd9/AEmTime to rest your weary head in the sunSweetest November, the world's renewed its colourOnly just in time to welcome summer

I thought about you tonight, I'm lucky that you're alive Even in these uncertain times, you'll make it through the night You were floating on the surface, threatened to be dragged down I thought you were gone forever, it turns out you've been found

Sweetest November, winter wasn't here forever Time to rest your weary head in the sun Sweetest November, the world's renewed its splendour Only just in time to welcome summer

D C D C

Captured in this light, beauty will survive **D C D C** Purified by fire you have made it to the sea

Sweetest November, winter wasn't here forever Time to rest your weary head in the sun Sweetest November, the world's renewed its colour Only just in time to welcome summer
