Sarah Brightman - Les Fleurs Du Mal

Figured this out from listening to Sarah's Vienna performance. Two guitars or more be best since there is some choral overlap in Sarah's performance|.Go to Youtube and watch perform it to figure out what you might need to do to play it. Might work in a heavy band arrangement

Is it you I keep thinking of

Won't let you be

Am C G
You hold the key to an open door
Am C G
Will I ever be free?
