

Winter Light  
Sarah Brightman

**Eb**

Hearts call

**Bb/E** **G#/D** **Eb**

Hearts fall swallowed in the rain

**Eb**

Who knows

**Bb/E** **G#/D** **Eb/C**

Life grows hollow and so vain

**Cm** **Bb**

Wandering in the winter light

**G#** **Eb**

The wicked and the sane

**Bb** **G#**

Bear witness to salvation

**Eb** **Bb7** **Eb**

And life starts over again

**Eb** **Bb** **Eb** **Bb**

Now the clear sky is all around you

**G#** **Eb** **G#** **Bb**

Aah aah aah aah

**Fm** **C4** **Fm**

Love's shadow will surround you

**Bb** **Bb7** **Eb** **Eb4**

All through the night

**Eb** **Gm7/5-/Eb** **C4** **C7**

Star glowing in the twilight

**Fm** **C7** **Fm**

Tell me true

**Bb** **G#** **Eb/A** **G#**

Hope whispers and I will follow

**Bb4** **Bb** **Eb**

Till you love me too

**Eb** **Fm7** **Eb** **Fm7** **G**

Aah ah ah ah ah ah ah ah

[Solo] **Cm** **Bb** **G#** **Eb** **Bb** **G#** **Eb** **Bb7** **Eb**
