Sarah Brightman

**E**  
Hearts call  
**B/E** **A/D** **E**  
Hearts fall swallowed in the rain

Who knows  
**B/E** **A/D** **E/C**  
Life grows hollow and so vain

**C#m** **B**  
Wandering in the winter light  
**A** **E**  
The wicked and the sane  
**B** **A**  
Bear witness to salvation  
**E** **B7** **E**  
And life starts over again

**E** **B** **E** **B**  
Now the clear sky is all around you  
**A** **E** **A** **B**  
Aah aah aah aah  
**F#m** **C#4** **F#m**  
Love's shadow will surround you

**B** **B7** **E** **E4**  
All through the night  
**E** **G#m7/5-/Eb** **C#4** **C#7**  
Star glowing in the twilight  
**F#m** **C#7** **F#m**  
Tell me true  
**B** **A** **E/A** **A**  
Hope whispers and I will follow  
**B4** **B** **E**  
Till you love me too
