D A E A(F#m) D A E A-bounce-D
And any time you want to fly, I will be your big blue sky

This new world is tough, love can lose its way
You and I gotta be strong, take it day by day
We ve got something real, We can make it last
I ll give you my word, I ll never take it back

Chorus

Big... Blue... Sky in your eyes
G D E
Big... Blue... Sky...

Chorus

A E F#m
And any time you want to fly,
D slide **D** to 3rd **G7 A-bounce-D**
I will be your Big... Blue... Sky...

E(Slide D) = **B** Regular **D** chord slid to 3rd fret, thus a **E** of sorts
G bounce C = Play **G** chord with your 2nd, 3rd, 4th fingers to enable you to use your 1st

and second finger to quickly (bounce)
back and forth from G to C chords.

G(Em) = Either chord will work. I alternate dependant upon the intensity of the
vocalist

what emphasis I like (minor/major)

Enjoy! It s a very nice duet between a female/male vocalist. There are a whole
number of

pull-offs you can use off these chords to add to the complexity and sound.
