Love Like Heaven
Sarah Buxton
Tab by Kayanna
Capo 4
Intro:
E A D C#m

(Verse 1)

A
Mama was right when she said I was somethin ,
E **A**
I never could quite keep my feet on the ground.
E **F#m**
So much to say never holdin back nothin,
D **Am**
My heart on my sleeve with my head in the clouds.

(Bridge 1)

A
E **F#m**
I want true love,
E
Always have always will,
E **Bm**
And I won t give up
Bm
till I feel how it feels.

(Chorus)

A
I ve felt the butterflies,
A
And had the mad crush,
A
I ve felt the earth move,
E
With just a single touch,
A
The passion in a kiss,
E
But what I m wantin is...

Bm **E**
Sweet forgiveness, Eternally in this,
Am **Bm**
Sacred gift were given,
D

A love like heaven.

D **E**

I m gonna find it.

(Verse 2)

A

Some people tell me I m foolish and crazy,

A

Somethin so perfect it just can t exist.

F#m

They say I ve been watchin too many movies,

C#m **D**

An these great expectations have put me at risk.

(Bridge 2)

E **A**

Yeah but I know better,

A

Always have always will,

E

Call me a dreamer,

Bm **A**

I just feel what I feel.

(Chorus)

A **E**

I ve felt the butterflies,

And had the mad crush,

A

I ve felt the earth move,

E

With just a single touch,

A

The passion in a kiss,

E

But what I m wantin is...

Dm **D**

Sweet forgiveness, Eternally in this,

Bm **B**

Sacred gift were given,

Bm **A**

A love like heaven.

E **A** **E**

(Bridge 3)

E **Am**

So I keep my cool,

I keep my faith

E **A**
I know that there s a better place

Em **Em**
Where there s no pain and hearts don t break and forever means forever baby
A (Strum 3x) **F#m** (Strum 3x)
Oh, oh, yeah, yeah.

(Chorus)

A] I ve felt the butterflies,
F#m
And had the mad crush,
A
I ve felt the earth move,
E
With just a single touch,
A
The passion in a kiss,
E
But what I m wantin is...
Bm **E**
Sweet forgiveness, Eternally in this,
A **D**
Sacred gift were given,
Bm
So surrender, Sweet and tender
D
Angels wings up lifting,
A **D** **B**
A love like heaven
E
I m gonna find it
E **D**
A love like heaven
E
Mmmmmmm...

Yeah(Either end on **C#m** or **A**)
