**Real Love**
**Sarah Connor**

Sarah Connor - Real love

Intro: **Dm9** - **F/C** - **Bbmaj7** - **C**

Verse 1:
**Dm9**                          **F/C**
When you re holding me
        Bj7                          **C**
I can breathe, there s such a piece
**Dm9**                      **F/C**
So please, couldn t I try
        Bj7                          **C**
For a change, ease in your mind

Pre-Chorus:
    **Gm**                          **F/A**  (**Am**)
Instead of worry do what I do
**Bb**
Say until you start to believe it

Chorus:
                    **F**
I ve got a real love
                    **C**
And baby it s enough
                          **Dm**                **Bb**
I know that it s gonna see me through
                    **F**
I ve got a real love
                    **C**
And  cause of it I
        **Dm**
I ll be fine
        **Bb**
I ll survive
                    **Eb7**                (Intro: **Dm9**...)
I ve got a real love... In you

Verse 2: (wie 1)
I been were you are
In the dark & sick at heart
So I get it, I swear
But do you call me, I m there
Instead of being strong on your own
Let me say until you believe it

Chorus:

```
Bridge:
     F                     C/E
No matter what the future brings
       Dm
I ll face it with you
       Bb        (Bb/G)
Oh, everything
        F
The light of day
     C/E
The dark of a night
Dm                          G
Together, yeah, we ll be alright...because

Chorus
