

**Beautiful**

**Sarah De Bono**

Hey guys! Right now I love Sarah De Bono from The Voice Australia and I noticed there weren't any chords up so I listened to the song a bunch of times and I think I've got them down. If I've made any mistakes feel free to email me and I'll fix them up :)

[Verse]

**E** **A**  
Livin' in a perfect world, where everybody's beautiful  
**C#m**  
But no one knows who you are, just another face  
**E** **A**  
Everyone's a perfect 10, almost a superstar  
**C#m** **B**  
How can you compare yourself to them

[Pre-Chorus]

**E** **A** **C#m** **B**  
It seems, the way she looks is so plastic, how tragic  
**E** **A**  
But there's more to life than what you see, look in the mirror carefully  
**C#m** **B**  
In time you're bound to get it right

[Chorus]

**E** **A** **C#m**  
You got the power to be anything that you wanna be, wanna be,  
**B**  
baby. Gotta be  
**E** **A** **C#m** **B**  
If you only look a little deeper, give yourself room to grow,  
**E** **A**  
Because you're beautiful, beautiful, beautiful  
**C#m** **B**

Because you re beautiful

[Bridge]

**F#m** **A** **F#m**  
People get caught up in fortune and fame  
**A** **F#m**  
I donâ€™t believe that we re one in the same  
**A** **G**  
Tryin to be just like that girl in the magazine.

[End Chorus]

**E** **A** **C#m**  
You got the power to be anything that you wanna be, wanna be,  
**B**  
baby. Gotta be  
**E** **A** **C#m** **B**  
If you only look a little deeper, give yourself room to grow,  
**E** **A** **C#m**  
You got the power to be anything that you wanna be, wanna be,  
**B**  
baby. Gotta be
