

Movie

Sarah Geronimo

Verse I:

**Eb**

The movieâ€™s done once more

**Eb**

The mood sets in with lights

**Eb**

**Eb/D**

Letâ€™s wait for them to leave

**Eb**

I was never one for crowds

**Eb**

**G#**

I look down on the floor

**Eb**

Everythingâ€™s undone

**Eb**

**G#**

Yet weâ€™ve been so much more

**Eb**

Than a full length feature

Interlude: **Eb Eb/D G# C-Bb**

**G**

We long for escape

**G#**

Let this memory take shape

**Eb**

**Eb/D**

For the heroes we often see

**G**

I donâ€™t know if itâ€™s me

**G#**

Or the movies weâ€™ve seen

**Eb**

I donâ€™t remember

**Eb/D**

As well as i should

Chorus:

**Eb**

**Eb/D**

**G#**

**C-Bb**

I stay so silent with your arms adjacent

**Eb**

**Eb/D**

**G#**

**C-Bb**

And credits may soon roll away

Interlude: **Eb Eb/D G# C-B**

Verse II:

**G** **G#**

You have my jacket on

**Eb**

Comfort in my warmth

**Eb/D**

Iâ€™m used to the cold

**Eb/D**

Iâ€™m used to the cold

**G**

And i hope youâ€™d agree

**G#**

How this story should be

**Eb**

**Eb/D**

How i wish i could change the scenes

**G**

Iâ€™d write on the next page

**G#**

An early coming of age

**Eb**

For me to tell you

**Eb/D**

As well as i could

Chorus:

**Eb**

**Eb/D**

**G#**

**C-Bb**

I stay so silent with your arms adjacent

**Eb**

**Eb/D**

**G#**

**C-B**

And credits may soon roll away

**Eb**

**Eb/D**

**G#**

**C-Bb**

Could I stay so silent with your arms adjacent

**Eb**

**Eb/D**

**G#**

**C-Bb**

The vagueness may soon come to light

(guitar only)

Should

**Eb**

**Eb/D**

**G#**

**C-Bb**

I stay so silent with your arms adjacent

**Eb**

**Eb/D**

**G#**

**C-Bb**

As i play my part in our show

(play chorus chords)

Forever shall i be the ill-fated type

Forever must i be the one you confide to

Forever must i be the pages you need

For you to write all the secrets that

You hope i would keep

Forever must i drive you home late at night

After watching these films that seem to imitate life

Forever must i be the opinion you seek  
Forever will i be the friend that you would keep

End with **G#**
