You and I

Then could I love you more So much stronger than before Why does it seem like a dream So much more so it seems
I guess I found my inspiration
With just one smile, you take my breath away
So hold me close
And say you ll stay with me now

The closer I get to touching you
The closer I get to loving you
Give it a time
Just a little more time
We ll be together
Every little smile
That special smile
The twinkle in your eye
In a little while
Give it a time
Just a little more time
So we can get closer
You and I
