Capsized

F

Am

when i heard about the coming day
wish i could wake up from the dream
and then i see a family photograph

G

and there you are, tucked in the seams (tab)

Am

and there s a jealous net inside my chest
there s a hurt, a sadness there
maybe i d tell you all about it
if i thought you d care (tab)

heavy heart gets lighter by his side
but there are thoughts i wish i d heard
and if they ask you how im holdin up
say im holdin out for the words (tab)

what s the sense in bein so sensitive
can i trade this thin skin for a shell
there are some things i ve got no feeling about
but there are some things, i can tell (tab)

heavy heart get lighter by yourself
it s been so long since you capsized
and you ve been lyin out there in the sun
has it begun has it begun (tab)

C Am

heavy heart,

F C Am

have you heard

F C Am F

i could use, the words (tab)
