

Hideout

Sarah Harmer

Don't know how accurate this is.. the chorus sounds a little off when playing with the cd.. but it will suffice in playing.

Verse: **C G F**

Look at the green out through the screen
After a quick rain came, so fast that there wasn't time
to roll up the windows and pull the clothes down off the line...

Chorus:

G **Am** **F**
and now i'm out at the hideout
G **Am** **F**
Far enough outside of town
G **Am**
You can come you can stay
 C **F**
If there's something you need
G
To get away from..

Repeat Verse chords

Bridge **C** **F**
 end on G

Go back to first verse and lyrics
Repeat Chorus twice.. with a twist in the second chorus ending....

Just listen to the cd for lyrics and strumming.. pretty straight forward..
