

**I Am Aglow**  
**Sarah Harmer**

Intro **C F C G C F G C**

**C**

**C F C G**  
I am aglow with thoughts of you  
**C F C G**  
Are the stories that you told me true?  
**C F C G**  
It doesn't matter if they are  
**C F G C**  
They are to me, I am aglow

**C G C**  
Some might say these thoughts are wrong  
**C G**  
That you might see yourself in this song  
**C F C**  
I hope that you don't mind if you do  
**C G C**  
I am aglow with thoughts of you

**F C**  
Does it matter that what I remember might be  
**F G**  
Just my own imagination painting scenes more pretty  
**C F C**  
Is it obvious? Does it show?  
**C G C**  
With thoughts of you I am aglow

Some might say I'm thinking in sin  
So I'll just sit back and take you in  
You're a map of a place maybe someday I'll go  
With thoughts of you I am aglow

Does it matter that what I remember is not true  
Does it matter that all I can think of is you  
Does it matter that what I remember might be  
Just my own imagination painting scenes more pretty  
Is it obvious? Does it show?  
With thoughts of you I am aglow
