

**D**                      **A**  
but i don t care, it was so calm  
**G**  
i knew i wouldn t stay forever  
**D**  
knew i d get some things together  
**A G**  
and move on

CHORUS:

**A**            **E7**            **G**  
And for now i m out at the hideout  
**A**            **D**            **G**  
Far enough outside of town  
**A**            **D**  
You can come, you can stay  
**E7**            **G**  
If there s something you need  
**A**  
To get away from

BRIDGE:

**Bm**            **G**  
I just thought of you  
**Bm**            **G**  
And what you said  
**Bm**            **G**  
Laid out on the pullout  
**A**  
Did you forget?  
you said you wouldn t forget

VERSE 1:

**D**                      **A**                      **G**  
Look at that green out through the screen  
**D**  
After a quick rain came so fast that  
**A**                      **G**  
There wasn t time to roll up the windows  
  
And pull the clothes down off the line  
**D**                      **A**  
I don t care it was so dry  
**G**  
And the grass is happy  
**D**  
And i think so am i

**A**                  **G**  
cause i m through thinking about you

CHORUS:

**A**          **E7**          **G**  
And for now i m out at the hideout  
**A**                  **D**          **G**  
Far enough outside of town  
                  **A**          **E7**          **G**  
You can come out , you can come out  
                  **A**                  **D**          **G**  
Out when there is no one a-round  
**A**  **E7**                  **G**  
All out at the hideout  
**A**                  **D**          **G**  
Far enough from being found  
                  **A**                  **D**  
You can come, you can stay  
                  **E7**                  **G**  
If there s something you need  
                  **A**  
To get away from
