Many a year ago  
In a kingdom by the sea  
There lived a maiden you may know  
By the name of Annabelle Lee  
No other thought did trouble her mind  
But to love and be loved by me

**Cm** (throughout)

We were children both  
In this kingdom by the sea  
But we loved with a love that was more than love  
I and my Annabelle Lee  
With a love that the winged angels high  
Coveted her and me

This was the reason long ago  
In this kingdom by the sea  
A wind blew from a stormy cloud  
That took my Annabelle Lee  
Then her wicked brothers came  
To steal her away from me

**Cm** (throughout)

They shut her up in a tomb below  
This kingdom by the sea  
But no maiden's grave could sever my soul  
From the love she bore for me  
For the moon don't beam without a dream  
Of my darling Annabelle Lee

For many years Iâ€™ve wandered  
Through this kingdom by the sea  
Iâ€™ve laid myself beside the bones  
Of my beautiful Annabelle Lee  
Iâ€™ll make my bed near the rising tide  
In her tomb by the sounding sea
