

Little Song
Sarah Jarosz

capo 4

most of the time, alternate these two chords
x5403x
5x403x

then use normal **G**, **A** and **D**
as in

G		D
soar	a little longer than the best	
	A	D
leave you worries in the past		

see video for details
http://www.youtube.com/watch?v=-_zUTp4_LsQ

the main picking pattern comes out in the alternating **D** chords (first two that i
don't know names for). easily found.
