

Long Journey
Sarah Jarosz

Sarah Jarosz is the new face of bluegrass...Absolutely amazing artist, as you already know if you ve searched for these chords. :)
These chords sound pretty close to the audio recording, but may not be 100% accurate.

Capo 5

Chords: **G**, **Cadd9**, **Em**, **D/F#**

You will want to keep your pinkie and ring finger on these two strings the whole time, as so:

```
e--3----|
B--3----|
G-----|
D-----|
A-----|
E-----|
```

I m sure everyone knows how to play a G and Em by now (except you will keep your pinkie and ring finger down while playing the em with your middle and pointer fingers) so I ll just provide chord diagrams for the two lesser-known chords:

D/F# chord:

```
e--3---- (Little Finger--!)
B--3---- (Ring Finger----!)
G--2---- (Middle Finger--!)
D-----!
A-----!
E--2---- (Index Finger---!)
```

Cadd9 or **C9**:

```
e--3----|
B--3----|
G-----|
D--2----|
A--3----|
E-----|
```

```
[G]           [Cadd9]
I have just begun
[G]           [Cadd9]
A long journey that will run
```

[G] [Cadd9]
The length and width of summer time
[Em] [D/F#] [Cadd9]
And the cool fall air will guide me home
[Em] [D/F#] [Cadd9]
Yea the cool fall air will blow me home

[G] [Cadd9]
You ll be miles away
I want to go, but I wanna stay
The music beggin me to go
[Em] [D/F#] [Cadd9]
But your love can guide me home
Yea your love can guide me home

[G] [Cadd9]
Stary nights and summer sun
I think you just might be the one
With this mountain pass keep runnin on
[Em] [D/F#] [Cadd9]
And I wonder if your love and guide me home
Oh yea I wonder if your love can guide me home

[G] [Cadd9]
I have just begun
A long journey that will run
The length and width of summer time
[Em] [D/F#] [Cadd9]
And the cool fall air will blow me home
Oh love can guide me home
Oh yea, I wonder if your love can guide me home
