

Tell Me True
Sarah Jarosz

Capo 5th fret

Em **G** **Am**
Do you think of me the way I think of you?
Em **G** **Am**
Do you hope for things that most likely won't come true?
Em **G** **Am**
Do you dream of me like I dream of you?
Em **G** **Am**
Tell me darling, please tell me true
Em **G** **Am**
Tell me darling, please tell me true

Do you hum a little tune all day long?
Do you hear my name in the chorus of your song?
When you sing your song,
does it make you feel brand new?
Tell me darling, please tell me true
Tell me darling, please tell me true

Do you wonder why we live and why we die?
Do you wonder why we laugh and why we cry?
Do you wonder why we dance, and why we fall?
Tell me darling do you wonder these at all
Tell me darling do you wonder these at all

Like a child who can't wait to go and play
I am waiting for love to come my way
Can we make this new love, fit like an old shoe?
Tell me darling, please tell me true
Tell me darling, please tell me true
