~~Capo, 1st fret~~

[Intro]

C, Fmaj7, C

[Verse]

                  C                                  Dm7                                  F  
Spend all your time waiting for that second chance  
                  C                                  F                                  G  
For the break that would make it okay  
  Dm7                                  F  
There s always some reason to feel not good enough  
                  C                                  F                                  G  
And it s hard at the end of the day  
  Dm7                                  F  
I need some distraction, a beautiful release  
C                                  F                                  G  
Memories seep from my veins  
  Dm7                                  F  
Let me be empty, oh and weightless, and maybe  
                  C                                  F                                  G  
I ll find some peace tonight

[Chorus]

                  C          Fmaj7          C          Fmaj7          Em  
In the arms of the angel, fly away from here  
                                  F  CG  
From this dark, cold hotel room, and the endlessness that you fear  
                  C                  Fmaj7          C                  Fmaj7          Em  
You are pulled from the wreckage of your silent reverie  
                                  F  C, G C,  
Fmaj7, C  
You re in the arms of the angel, may you find some comfort here.

[Verse]

                                  Dm7                                  F  
So tired of this straight line, and everywhere you turn

**C** **F** **G**  
 There s vultures and theives at your back  
**Dm7** **F**  
 The storm keeps on twisting, you keep on building the lies  
**C** **F** **G**  
 That you make up for all that you lack.  
**Dm7** **F**  
 It don t make no difference, escaping one last time  
**C** **F** **G**  
 It s easier to believe  
**Dm7** **F**  
 In this sweet madness, oh this glorious sadness  
**C** **F** **G**  
 That brings me to my knees.

[Chorus]

**C** **Fmaj7** **C** **Fmaj7** **Em**  
 In the arms of the angel, fly away from here  
**F** **CG**  
 From this dark, cold hotel room, and the endlessness that you fear  
**C** **Fmaj7** **C** **Fmaj7** **Em**  
 You are pulled from the wreckage of your silent reverie  
**F** **C, G C,**  
**Fmaj7, C**  
 You re in the arms of the angel, may you find some comfort here.

**C** x-3-2-0-1-0  
**Fmaj7** x-3-3-2-1-0  
**Dm7** x-x-0-2-1-1  
**F** x-x-3-2-1-1  
**G** 3-2-0-0-0-3
