Sarah McLachlan - U Want Me 2

\*updated to version 3 - thanks to smirks for the corrections in the chorus!\*

Please send me any corrections you have and I will consider them. I m sure these chords aren t perfect, but hopefully they re enough to get you started. Enjoy!

Capo IV

Intro: **Dm** - **G** (4x)

**D**                    **A**  
You walk on by  
**Bm**                    **A**  
Clueless and so high  
**G**                    **D**  
Following your aimless path  
**A**  
Away from us  
**D**                    **A**  
You re so far away  
**Bm**                    **A**  
And what can I say  
**G**                    **D**  
Cause I can t be the one  
**A**  
You wanted me to be

**Em**            **A**  
So tell me how do you feel  
**D**                    **G**  
It s so confusing  
                  **Em**            **A**  
If you let it all go  
                  **D**                    **G**  
It ll fall apart  
                  **Em**            **A**  
Do you want me to stay  
                  **D**            **G**                    **Em**  
And say I still want you  
                  **A**  
You want me to  
                  **Dm**

Don't you

**G Em A**

**D** **A**  
So what are we saying

**Em** **A**  
Our eden's a failure

**G** **D**  
A made up story to fit

**A**  
A picture perfect world

**D** **A**  
The one with I do

**Em** **A**  
And I love you

**G** **D**  
And we are made for each other

**A**  
Is forever over now

**Em** **A**  
So tell me how do you feel

**D** **G**  
It's so confusing

**Em** **A**  
If you let it all go

**D** **G**  
It'll fall apart

**Em** **A**  
Do you want me to stay

**D** **G** **Em**  
And say I still want you

**A**  
You want me to

**Dm**  
Don't you

**G Em A Dm G Dm A**

**D** **A**  
I hope there's forgiveness

**Em** **A**  
In the distance between us

**G** **D**  
Can we make what lies ahead of us

**A**  
A better place to be

So tell me how do you feel

It s so confusing

If you let it all go

It ll fall apart

Do you want me to stay

And say I still want you

You want me to

Don t you
