World On Fire - Sarah McLachlan

Am G F C (x 4)

F G C
Hearts are worn in these dark ages

Dm C F
You're not alone in this story's pages

Am G F C
Night has fallen amongst the living and the dying
Dm F
And I try to hold it in, yeah I try to hold it in

Am G F C
The world's on fire, it's more than I can handle

G Am F
I dive into the water, I try to pull my ship

Am G F C
I try to bring more, more than I can handle

G Am F
Bring it to the table, bring what I am able

F G C
I watch the heavens and I find a calling

Dm C F
Something I can do to change this moment

Am G F C
Stay close to me while the sky is falling

Dm F
Don't wanna be left alone, don't wanna be alone

(Chorus)

Dm C
Hearts break, hearts mend

C
Love still hurts

Dm G
Visions clash, planes crash

G
Still there's talk of

Dm C
Saving souls, still the cold

F
Is closing in on us

Am G F C (x4)

Am G F C
We part the veil on Archille s sun

Am G F C
Stray from the straight line on this short run

Am G F C
The more we take, the less we become

Am G F C
A fortune of one that means less for some

Am G F C
G Am F (x2)

(Chorus X 2)
