

Heartache In Hell

Sarah Shook & The Disarmers

[Verse 1]

G C G
I ve been here before
C G
Waitin around my door
C G
For some money I know for sure
D
Ain t comin around
G C G
The hours and minutes pass by
C G
I swear I ain t gonna cry
C G
Just walk the floors over you til I die
D
Cause I drown

[Chorus]

C D
Drown in sorrow again
G
Just playin my part
C D
Drown in whiskey and then
G
I tear out my heart
C D
Give anything I posses
G G/F# G/E G/D
To drown even a little less
C D G
But I ain t cut out for it

[Verse 2]

G C G
I could never tally the cost
C G
Of all the loves I have lost
C G
All the times and the ways I been crossed

When I was too dumb to tell

This time I ain t even gonna try

And I bet all I own on just why

C G

Cause I ll be right here at sometime

In heartache in hell

I tear out my heart

Give anything I posses

G G/F# G/E G/D

To drown even a little less
