                D                      A
For all the times that we, We ever wouldn't be,
      Bm                G
Look at us baby, Look at us now.

                D                      A
For everyday that I, Should have you by my side,
      Bm                G
We'll make it baby, Look at us now.

                D                      A
For every night I pray, I know that you will stay,

Look at us baby, Look at us now.

Remembering the time, Our love was not so fine,

We made it baby, Look at us now. Baby look at us.
