

Chasing Parties
Sasha Sloan

[Verse 1]

C **Em**
Friday night, you and I side by side
G
Love the way we disappear
C **Em** **G**
There's about a million places we could go

But I'd rather be here

[Pre-Chorus]

C
Ooh ooh ooh hoo hoo
Em **G**
I never, ever, ever, ever thought it'd be true
C
Ooh ooh ooh hoo hoo
Em **G**
I never, ever, ever, ever thought it'd be true

[Chorus]

C **Em**
But I'm done chasing parties
G
I'm done chasing bodies
C **Em** **G**
I'm done getting home past 2

C
I'm done 'cause I finally found you
Em **G**
Ooh, ooh, ooh

[Verse 2]

C **Em**
I used to try anything
G
I was dying to escape myself
C **Em** **G**
But I get so high just being around you

Don't need anything else

[Pre-Chorus]

C
Ooh ooh ooh hoo hoo
Em **G**
I never, ever, ever, ever thought it d be true
C
Ooh ooh ooh hoo hoo
Em **G**
I never, ever, ever, ever thought it d be true

[Chorus]

C **Em**
But I m done chasing parties
G
I m done chasing bodies
C **Em** **G**
I m done getting home past two
C **Em**
Yeah, I m done getting wasted
G
In somebody s basement
C **Em** **G**
And waking up somewhere new
C
I m done cause I finally found you
Hoo hoo, ooh ooh ooh
Em **G**
(I never, ever, ever, ever thought it d be true)
C
I m done cause I finally found you
Hoo hoo, ooh ooh ooh
Em **G**
(I never, ever, ever, ever thought it d be true)

[Outro]

C **Em**
Friday night, you and I side by side
G
Love the way we disappear, yeah
C **Em** **G**
There s bout a million places we could go
But I d rather be here
