Verse:

G **D**
So many faces passing me by
G **D**
Each of them nameless but hold up inside
G **D**
Tell me do you feel the same
C
Could we live the dream they all run to
G **D**
Believe me their chaising is in vein
C **D**
The faster you long running the longer it will take you to find it

Refrain:

G **D**
So we should go there slowly
C
Running is a waste of time the time you need to ease your mind
G **D** **C** **G**
Slowly weâ're gonne let love grow as long as we take it slow

Verse:

G **D**
Everyone out there keeps rushing around
G **D**
You must be plowding save and sound
G **D**
Softly fallen into life
C
Nothing s gonne keep us from rising
G **D**
trust me soon you will arrive
C **D**
But the faster you will run and the longer it will take you to find it

Refrain:

G **D**
So we should go there slowly

C

Running is a waste of time the time you need to ease your mind
