

## Turn It Into Something Special Sasha

Turn it into something special Sasha

by Thorsten Ditsch (Teedee) t.ditsch@t-online.de

Intro: **E7sus4** 2x

### **E7sus4**

There s a voice inside us all  
calling out so we don t fall  
nothing s lost that can t be found

**A**

ain t a thing you can t get round

### **A F#m**

Turn it into something good

**D**

**A**

there s a chance you really could turn it into something special

**F#m**

when you see it s time to choose

**D**

**A**

gonna find you ll never lose turn it into something special

### **E7sus4**

When your calm is broke into  
and you don t know what to do  
hold your fire and look about

**A**

take the flame, don t put it out

**F#m**

Just believe in something new

**D**

**A**

we all have our part to do turn it into something special

**F#m**

and you ll still be standing strong

**D**

**A**

hold your ground and carry on Turn it into something special

Bridge

**Bm A Bm**

When you know right from the start

**Bm A Em**

gonna play it from the heart take a chance and make things better

**Bm A**

leave your fears and doubts behind

**Bm**

**A**

**Em**

don t give in, just keep trying turn it into something special

**A F#m**

Turn it into something good

**D A**

there s a chance you really could turn it into something special

**F#m**

when you see it s time to choose

**D A**

gonna find you ll never lose turn it into something special

**F#m**

Don t hold in, just let it out

**D A**

keep believing there s no doubt take a chance and make it special

**F#m**

and you ll still be standing strong

**D**

hold your ground and carry on Turn it into something â€œ

just believe in something

**F#m D**

Na na na na-ah

**A**

Oh oh oh O-oh
