E-x-----3---|
```

[A] Wind blows through this empty room  
[Bm] Like blood from an open wound  
[G] Shut my eyes -[D] I don t want to see [A]  
[A] Outside there s a big parade  
[Bm] Some girl she s got it made  
[G] Things change in the [D] time it takes to [E] breathe  
[D] But I can t stand to see her [E] hands on you  
[D] Cause you were my religion [G] too

Chorus:

You don t [D] have to re-[A] [Riff#1]mind me  
[G] I don t [D] need you to [A] [Riff#1]bring it home  
[G] You don t [D] have to re-[Bm] mind me  
[G] Cause every [D] night I sleep [A] alone

[A] My friends all say I got nothing to lose  
[Bm] So what if I can pick and choose  
[G] Substitutes they re just a [D] waste of my time [A]  
[A] So here I sit in this lonely room  
[Bm] Just me and a lover s moon  
[G] Funny how [D] love can be so un-[E] kind  
[D] Sometimes I wish I could forget the [E] past  
[D] Cause I can t stand to see it [G] last

Repeat Chorus

Instrumental - **A G D** 2x

[Bm ] I know there s [A] people who can walk upon the [E] water  
[Bm] So how come I m [A] sinking like a [E] stone  
[F#m] You part the sea and then you [D] walk away from me

[E] I don't know how much longer I can breathe (Pause)

Repeat Chorus
