## A Thousand Words Savage Garden

Gm

Bb

F

Intro: Gm / Bb / F / C / Gm / Bb / F / C Gm we stumble in a tangled web decaying friendships almost dead and hide behind a mask of lies Gm Bb we twist and turn and we avoid all hope of salvage now devoid i see the truth inside your eyes Gm Bb so take all this noise into your brain and send it back again F Вb C ill bear the cost shed my skin call you up and then i ll say the words out loud Chorus: Вb you could resurrect a thousand words to deceive me more and more a thousand words will give the reasons F why i don t need you anymore solo: Gm/Bb/F/C Вb time manipulates your heart preconceptions torn apart begin to doubt my state of mind Gm but i won t go down on what i said i won t retract convictions read i may perplex but i m not blind F so take all this noise into your brain and send it back again ill bear the cost shed my skin call you up and then i ll say the words out loud (Chorus)

C

i ll say the words out loud i ll say a thousand words or more Gm Bb manipulation fabrication conversation annihilation F C i ll say a thousand words or more Gm Bb damnation frustration elevation procreation F C i ll say a thousand words or more

(Chorus)
