

Fire Inside The Man
Savage Garden

FIRE INSIDE THE MAN
(Savage Garden)

Notes:

Here it is! This song is very easy, and a blast to play. I am sure that most of it is right. The solos are definitely right, and all the chords except the bridge I am positive of.

I m aware the solos can be a bit confusing-- I usually use asteriks (*), but this time it made more sense to use numbers. But Solo 3 also is indicated in some places by an asterik. (!) Solos 1 and 2 are the same, except there is an overlying C chord in Solo 2. I will transcribe out all the notes on all solos but Solo 2, which is the same all Solo 1. (Whew!)

intro: Solo 1 (x2), Solo 2 (x2)
