Hey hey, if we can't find a way out of these problems

Then maybe we don't need this

C G Am F C G

Standing face to face, enemies at war we build defences

Am F

And secret hiding places

[Chorus]

C G Am F

I might need you to hold me tonight

C G Am F

I might need you to say it's alright

C G Am F

I might need you to make the first stand

Fmaj7 G

Cause tonight I'm finding it hard to be your man

C G Am F

Hold me tonight,

C G Am F

Say it's alright

[Verse]

C G Am F C G

Hey hey, more than angry words I hate this silence

Am F

It's getting so loud

C G Am F

Well I want to scream, but bitterness had

C G

Silenced these emotions

It s getting hard to breathe **Am F**  
 So tell me isn t happiness? **C G**  
 Worth more than a golden diamond ring? **Am F**  
 I m willing to do anything to calm the storm in my heart **C G Am F**  
 I ve never been a praying kind, **C G**  
 But lately I ve been down upon my knees **Am F**  
 Not looking for a miracle, just a reason to believe **C G F G**

[Chorus]

**C G**  
 Do you remember not long ago?  
**Am**  
 How we used to live for the lifetime  
**F**  
 Cherish each moment  
**C G Am F**  
 Now we don t live we exist, we just run through our lives  
**C G Am F**  
 That s why you ve got to hold me

- G - Am - F

[Chorus]
