Tears Of Pearls Savage Garden

TEARS OF PEARLS (Savage Garden)

Hints: There s two sets of Dm chords-- one with the bass lines and one that is a quick solo ringing -- the Dm s listed are the solo ones. I m not even sure if they are in the exact place, but if you can play with the CD you ll know where it goes. You can either play the quick 3 beat solo or play the Dm continuously with the bass line. Like most of the other chords on this site, they are tabbed at the bottom and the asteriks indicate where they go. :) intro: Dm (x4) * Dm Dm and we stare each other down like victims in the grind Dm probing all the weakness and hurt still left behind Am CG and we cry the tears of pearls we do it oh we do it Dm Dm is love really the tragedy the way you might describe Dm Dm or would a thousand lovers still leave you cold inside Am C G make you cry these tears of pearls chorus: BmD Em C all these mixed emotions we keep locked away like stolen pearls Bm Em D G stolen pearl devotions we keep locked away from all the world Dm Dm your kisses are like pearls so different and so rare Dm but anger stole the jewels away and love has left you bare CG Am made you cry these tears of pearls Dm Dm well i could be the tired joker pour my heart to get you in Dm Dm sacrifice my happiness just so i could win Am С G maybe cry these tears of pearls
