

**To The Moon And Back**  
**Savage Garden**

this song is played best on a distortion guitar. you can play it on an acoustic but the intro will not work out well.

intro ( **G-Am-G-Am-F**) (slide)

she is taking her time making up the reasons  
to justify all the hurt inside  
guess she knows from the smiles and the look in her eyes  
everyones gotta theory about the bitter one  
they sayin mum never loved her much and daddy never keeps in touch  
thats why she shys away from human affection but  
somewhere in a private place she packs her bag for outer space  
and now she is waiting for the right kinda pilot to come  
and she will say to him....  
she is sayin..i would fly to the moon and back if you be  
if you be my baby....  
gotta ticket for the world that we belong  
so would you be my baby yeah...

(intro chords)

then next verse follow same pattern as previos verse

she cant remmember the times when she felt needed  
if love was red then she was colour blind  
all her friends have been tried for treason  
and crimes that were never defined  
she is sayin..love is like a barren place and  
reaching out for human faith is  
like a journey i just dont have a map for so  
babys gonna tke a dive and  
will shift to overdrive  
send a signal that shes hanging all her hopes on the stars

what a pleasant dream..shes sayin...
