

**Two Beds and a Coffe Machine  
Savage Garden**

**A**  
And she takes another step  
**D E F#m**  
Slowly she opens the door  
**Bm E**  
Check that he is sleeping  
**A D E F#m**  
Pick up all the broken glass and furniture on the floor  
**Bm E A**  
Been up half the night screaming now it s time to get away  
**D E F#m**  
Pack up the kids in the car  
**Bm**  
Another bruise to try and hide  
**E**  
Another alibi to write  
**A D**  
Another ditch in the road  
**E**  
You keep moving  
**A D**  
Another stop sign  
**E F#m**  
You keep moving on  
**Bm F#m**  
And the years go by so fast  
**E A**  
Wonder how I ever made it through  
**A**  
And there are children to think of  
**D E F#m**  
Baby s asleep in the backseat  
**Bm E A**  
Wonder how they ll ever make it through this living nightmare  
**D E F#m**  
But the mind is an amazing thing  
**Bm E A**  
Full of candy dreams and new toys and another cheap hotel  
**D E F#m**  
Two beds and a coffee machine  
**Bm**  
But there are groceries to buy  
**E**  
And she knows she ll have to go home

**A** **D**  
Another ditch in the road

**E**  
You keep moving

**A** **D**  
Another stop sign

**E** **F#m**  
You keep moving on

**Bm** **F#m**  
And the years go by so fast

**E** **A**  
Wonder how I ever made it through

**A** **D**  
Another bruise to try and hide

**E** **F#m**  
Another alibi to write

**Bm** **E** **A**  
Another lonely highway in the black of night

**D**  
But there s hope in the darkness

**E**  
You know you re going to make it

**A** **D**  
Another ditch in the road

**E**  
Keep moving

**A** **D**  
Another stop sign

**E** **F#m**  
You Keep moving on

**Bm** **F#m**  
Silent fortress built to last

**E** **A**  
Wonder how I ever made it
