**Bbmaj7 (etc)...**

Cuddle up close lay on my chest now

Listen my heartbeats coming down

If you get tired you close your eyes now

But when you wake up I won't be found

Cause I know baby

I know you're the nervous kind

So much going on in your mind

Universe inside your heart

You gotta let me know

So you can be free baby

You wanted it so much

And now that it's over

You don't know what you want

But let me tell you that

This time (this time)

I'm gonna make you mine (I won't let you go)

Cause I know this time (this time)

I'm gonna make sure I look out for me

Solo - Bbmaj7 / Cm7 / Bbmaj7

Cause you know baby

Well you know baby does it right

And you know baby does it right

You will only end up lost in loneliness

And wake up with the words already on your lips

So I ll let you go baby

Go baby

Outro - Ebmaj7 / Dm7 / Cm7 / F7

Finish on Bbmaj7
