

Cold October
Savannah Berry

This is my first tab, so please be nice!

Capo 3

D

Homecoming and I don't think I'm going

G

After everything I'd rather be alone

Bm

C

And stay at home and watch tv, pretend that this ain't killing me

D

I never thought the two of us would end this way

G

And now you're acting like you don't know my name

Bm

What happened to those August nights?

C

When you were there you held me tight

D

You and me were sitting in the summer sun

G

Crazy in love but just too young

Bm

Now I'm a little bit older

C

It's been a cold October

D

Everybody says I'm gonna be alright

G

But sixteen don't feel so young tonight

Bm

I feel a little bit older

C

It's been a cold October

C

D

Cold October

D

Fireworks going off all night long

G

Singing out loud to our favorite song

Bm

Nothing could tear you away

C

We saw each other everyday

D

And Maybe Iâ€™m still sitting here in your t-shirt

G

Maybe I lie still saying that it donâ€™t hurt

Bm

Autumn came in such a rush

C

Whyâ€™d you have to give us up?

D

You and me were sitting in the summer sun

G

Crazy in love but just too young

Bm

Now Iâ€™m a little bit older

C

Itâ€™s been a cold October

D

Everybody says Iâ€™m gonna be alright

G

But sixteen donâ€™t feel so young tonight

Bm

I feel a little bit older

C

Itâ€™s been a cold October

D

Three words that

G

mean nothing

Bm

Ever since you

C

said goodbye

D

G

Bm

C

Three months but it feels like a lifetime

D

You and me were sitting in the summer sun...

G

Crazy in love but just too young

Bm

C

Now Iâ€™m a little bit older, itâ€™s been a cold October

D

Everybody says Iâ€™m gonna be alright

G

But sixteen donâ€™t feel so young tonight

Bm

C

I feel a little bit older, Itâ€™s been a cold October

D **G**
Itâ€™s been a cold October yeah,yeah

Bm **C** **D**
Itâ€™s been a cold October
