

Closure

Savannah Outen

This is a great original song. and it bothered me a bit that no one has tabbed this yet.
so I did. It s very easy once you ve heard it. and I fixed it up a little bit so it s
easier to play. If you don t know the chords it ll just show if you click it.
you know
what I mean...
Enjoy guys ~

Capo 1 (or anywhere that suits your voice)

E **C#m** **A**
White light, sun rise, rose open gates
E **C#m** **A**
Love me, Love me not, pulling petals off
A **B** **E** **C#m**
I never escape the thought that you might be coming home
A **B** **E** **C#m**
Youâ€™ve been leading me along the primrose path
A **B** **E** **C#**
I met you long ago when my guard was fully open
A **B** **E** **C#m**
And Iâ€™m still trying to find that Closure

E **C#m** **A**
Sunburn, Iâ€™ll learn not to lean too close

Teardrops wonâ€™t stop til the afternoon.

I never escape the truth that I fell in love too soon
A **B** **E** **C#m**
As the rainclouds drift apart Iâ€™m still glad I met you

The scrapbook that we kept is lying open on my shelf

And Iâ€™m still trying to find that Closure
