Intro - **D A Em G**

```
        D                    A
If you only knew that I think about you
      Em          G
In a kinda secret way
        D
I say kind of  cause
            A
Well it s obvious
   Em                   G
I must be feeling these things
A                Em    G
Too bad you can t tell  cause...

   D    A      Em           G                  D
    If you only knew it would be a dream come true
A                  Em
Standing next to you
        G                  A
Yeah I might go insane to know
          D        A      Em
That you feel the same as I do
    G
If You Only Knew

D A Em G

        D                    A
If you only knew I write songs about you
      Em          G
In the lyrics of the feel
   D                  A
I imagine us chillin  out and stuff
      Em                        G
```

When I close my eyes this is real
A   **Em G**
Singing out your name

   D   **A**   **Em**   **G**   **D**
