

Freakish

Saves the Day

F#m D A E
as i m talking my words slip to the floor

F#m D A E
and they crawl through your legs, slide under the back door

A D F#m E
rendering me

A D F#m E
freakish and dazed

A E F#m D
well here i am, don t know how to say this

A E F#m D
only thing i know is awkward silence

A E F#m D
your eyelides close when you re around me

A E F#m D
to shut me out

F#m D A E
so i ll go walking in the streets until my heels bleed

F#m D A E
and i ll sing out my song in case the birds wish to sing along

A D F#m E
and i ll dig a tunnel

A D F#m E
to the center of the universe

A E F#m D
well here i am, don t know how to say this

A E F#m D
only thing i know is awkward silence

A E F#m D
your eyelides close when you re around me

A E F#m D
to shut me out

D F#m E D
i ll make my way across the frozen sea

F#m E
beyond the blank horizon

D F#m E D
where i can forget you and me

F#m E
and get a decent night s sleep
