

**Ring Pop**

**Saves the Day**

The original song is in the key of B, but I transposed it to C to make it easier to learn. This song was released as an acoustic demo in February, but the official lyric video was released today (28AUG13). It's off of their self-titled album, soon to be released. These chords are how I play the song, it's a mix of the demo and the official track.

**C#**

Before we live forever say

**G#**

Together we can be okay

**C#**

If it's the last thing that we do

**Bbm**

**C#**

I wanna sing along with you

**Bbm**

Don't know where to begin

Just a couple of kids

**C#**

When we met by the bar

**G#**

At the side of the road

**Bbm**

It was only a dream

Saw you staring at me

**C#**

What I said to myself

**G#**

As I woke up to see

**C#**

It was already late

**G#**

**Bbm**

Ten ten in neon green

**F#**

And your number was on

**G#**

**C#**

My right hand in red ink

**C#**

Before we live forever say

**G#**

Together we can be okay

**C#**

If it s the last thing that we do

**Bbm**

**C#**

I wanna sing along with you

**Bbm**

Seven years will go by

In the blink of an eye

**C#**

Suddenly here we are

**G#**

Thinking what are the odds

**Bbm**

Born on opposite coasts

For the two of us both

**C#**

Knowing in twenty years

**G#**

We would not be alone

**C#**

Might have made us a pair

**G#** **Bbm**  
Of zen like two year olds

**F#**  
With a couple of ring pops

**G#** **C#**  
No need to propose

**C#**  
Before we live forever say

**G#**  
Together we can be okay

**C#**  
If it s the last thing that we do

**Bbm** **C#**  
I wanna sing along with you

**C#**  
And in seventy years

**G#**  
When somehow thereâ€™s a way

**Bbm**  
To be frozen in time

**G#** **C#**  
Forever we will stay

**C#**  
Before we live forever say

**G#**  
Together we can be okay

**C#**  
If it s the last thing that we do

**Bbm** **C#**  
I wanna sing along with you

**C#**  
If it s the last thing that we do

**Bbm**

**C#**

I wanna sing along with you

**G#**

And hear you singing too

**F#**

This is our song

**G#**

**C#**

Iâ€™ll always sing for you
