

**Ring Pop**

**Saves the Day**

The original song is in the key of B, but I transposed it to C to make it easier to learn. This song was released as an acoustic demo in February, but the official lyric video was released today (28AUG13). It s off of their self-titled album, soon to be released. These chords are how I play the song, it s a mix of the demo and the official track.

**Bb**

Before we live forever say

**F**

Together we can be okay

**Bb**

If it s the last thing that we do

**Gm**

**Bb**

I wanna sing along with you

**Gm**

Don t know where to begin

Just a couple of kids

**Bb**

When we met by the bar

**F**

At the side of the road

**Gm**

It was only a dream

Saw you staring at me

**Bb**

What I said to myself

**F**

As I woke up to see

**Bb**

It was already late

**F**

**Gm**

Ten ten in neon green

**Eb**

And your number was on

**F**

**Bb**

My right hand in red ink

**Bb**

Before we live forever say

**F**

Together we can be okay

**Bb**

If it s the last thing that we do

**Gm**

**Bb**

I wanna sing along with you

**Gm**

Seven years will go by

In the blink of an eye

**Bb**

Suddenly here we are

**F**

Thinking what are the odds

**Gm**

Born on opposite coasts

For the two of us both

**Bb**

Knowing in twenty years

**F**

We would not be alone

**Bb**

Might have made us a pair

**F** **Gm**  
Of zen like two year olds

**Eb**  
With a couple of ring pops

**F** **Bb**  
No need to propose

**Bb**  
Before we live forever say

**F**  
Together we can be okay

**Bb**  
If it s the last thing that we do

**Gm** **Bb**  
I wanna sing along with you

**Bb**  
And in seventy years

**F**  
When somehow thereâ€™s a way

**Gm**  
To be frozen in time

**F** **Bb**  
Forever we will stay

**Bb**  
Before we live forever say

**F**  
Together we can be okay

**Bb**  
If it s the last thing that we do

**Gm** **Bb**  
I wanna sing along with you

**Bb**  
If it s the last thing that we do

**Gm**

**Bb**

I wanna sing along with you

**F**

And hear you singing too

**Eb**

This is our song

**F**

**Bb**

Iâ€™ll always sing for you
