

## Ring Pop

### Saves the Day

The original song is in the key of B, but I transposed it to C to make it easier to learn. This song was released as an acoustic demo in February, but the official lyric video was released today (28AUG13). It's off of their self-titled album, soon to be released. These chords are how I play the song, it's a mix of the demo and the official track.

**B**

Before we live forever say

**F#**

Together we can be okay

**B**

If it's the last thing that we do

**G#m**

**B**

I wanna sing along with you

**G#m**

Don't know where to begin

Just a couple of kids

**B**

When we met by the bar

**F#**

At the side of the road

**G#m**

It was only a dream

Saw you staring at me

**B**

What I said to myself

**F#**

As I woke up to see

**B**

It was already late

**F#**

**G#m**

Ten ten in neon green

**E**

And your number was on

**F#**

**B**

My right hand in red ink

**B**

Before we live forever say

**F#**

Together we can be okay

**B**

If it s the last thing that we do

**G#m**

**B**

I wanna sing along with you

**G#m**

Seven years will go by

In the blink of an eye

**B**

Suddenly here we are

**F#**

Thinking what are the odds

**G#m**

Born on opposite coasts

For the two of us both

**B**

Knowing in twenty years

**F#**

We would not be alone

**B**

Might have made us a pair

**F#**

**G#m**

Of zen like two year olds

**E**

With a couple of ring pops

**F#**

**B**

No need to propose

**B**

Before we live forever say

**F#**

Together we can be okay

**B**

If it s the last thing that we do

**G#m**

**B**

I wanna sing along with you

**B**

And in seventy years

**F#**

When somehow thereâ€™s a way

**G#m**

To be frozen in time

**F#**

**B**

Forever we will stay

**B**

Before we live forever say

**F#**

Together we can be okay

**B**

If it s the last thing that we do

**G#m**

**B**

I wanna sing along with you

**B**

If it s the last thing that we do

**G#m**

**B**

I wanna sing along with you

**F#**

And hear you singing too

**E**

This is our song

**F#**

**B**

Iâ€™ll always sing for you
