Nothin matters anym-o-r-e

Chorus: (Play Fill 1 between chords)

Am **G**
If I could only see you now
F
For about an hour
Am
Maybe just a minute
G
Just to ask
F
What he's got that I don't have
Am
Is it his brown eyes?
F **G**
Well, I'll give you a thousand reasons that tonight
F **Em** **G** **C**
you should grant me this one wish.

C **G** **Am** **Em** **F** **G** **C**
Like the one year of my life that I gave to you and
C **G** **Am** **Em**
now you put me through hell.
F **G** **C**
You break me up, yeah.
C **G** **Am** **Em** **F** **G** **C**
Oh-ho I should hate you, but I can't replace you in my heart.
C **G** **Am**
Why am I so pathetic,
Em **F** **G** **C**
I don't get it why you won't return my calls.

Can't you look at me once?

enjoy this lonely sky with me.
It'll swallow us whole if we only let it.
