

**Tear Myself In Two**  
**Saving Abel**

VERSE:

**B G#m E C#m**

I never really did have a reason

**B C#m E C#m**

I never really did take the time

**B C#m A E**

Well all the windows were closed, but my eyes were open, yeah

**B C#m E**

And just in time

CHORUS:

**B C#m A E**

For you I would tear myself in two

**B C#m A E**

If it only made me, believe in you

**B C#m A E**

Start to ease when youâ€™re ripping paper

**B C#m A E**

For you I would tear myself in two

VERSE:

Iâ€™ve written down all the strangled thoughts

As you lie alone awake in my bed, i havenâ€™t slept

Well all the doors were closed but I was wide awake

Just in time

CHORUS

BRIDGE:

**A E**

And someday when things are much better

**A E**

Just like you somewhat promised me, yeah

**B C#m E C#m**

Find the essence for the answer

**B C#m E**

Itâ€™s in the love that will always be

SOLO (**B C#m A E** x8)

BRIDGE

**B C#m A E**

Oh for you, I would tear myself in two X3

With no thought, or hesitation
