

Imperfection Saving Jane

I play this on capo 4. Probably not perfectly accurate, but it sounds right to me, it s my first tab, and this site is sadly lacking in Saving Jane tabs. So enjoy!

C **D**
My hair s a wreck
C **Em**
Mascara runs
C **Em**
My feet get dirty
G **D**
And my skin burns in the sun.
Em
My lips they bleed
G **D**
But I still sing my songs.
Em
Takes me a minute
Am **D**
To admit it when I m wrong.

Am
Pretty is as pretty does,
Em **C**
But pretty s not my thing.

C **Em**
This is what you get.
C **Am**
This is who I am.
C **Dsus4**
Take me now or leave me
Dsus2
Any way you can.
C **Em**
Sometimes I trip and fall
C **Am**
But I know where I stand.
C **Am** **Em**
And if you re thinking about changing my direction,
N.C.
Don t mess with imperfection.

C **D**
My back is weak,

C **Em**
But my will is true.
C **Em**
Got good intentions
G **D**
But I never follow through.
Em
I say too much,
G **D**
And don't know when to leave.
Em
In case you're looking,
Am **D**
That's my heart there on my sleeve.

Am **Em**
Ego trips and stupid slip ups,
C
I'm a mess but

C **Em**
This is what you get.
C **Am**
This is who I am.
C **Dsus4**
Take me now or leave me
Dsus2
Any way you can.
C **Em**
Sometimes I trip and fall
C **Am**
But I know where I stand.
C **Am** **Em**
And if you're thinking about changing my direction,
N.C.
Don't mess with imperfection.

Am
Scratched and bruised,
Em
A little used,
C
But baby I work fine.
Am
You might call me
Em
Damaged goods,
C
But I'm one of a kind.

C **D**
My hair's a wreck,
C **Em**

No I m not perfect

C **Em** (hold)

But I m not the only one.

C **Em**

This is what you get.

C **Am**

This is who I am.

C **Dsus4**

Take me now or leave me

Dsus2

Any way you can.

C **Em**

Sometimes I trip and fall

C **Am**

But I know where I stand.

C **Am** **Em**
And if you re thinking about changing my direction,

Don t mess with imperfection.
