

It s the same what a shame, no matter where you go
It s the same what a shame, no matter where you go
People wondrin what to do, too much time for me and you

SOLO (through one verse)

Street corner talkin, wondrin what I m gonna do
Street corner talkin, wondrin what I m gonna do
If you can t get a job, the cops ll take care of you

(repeat **D-F-D** riff to fade
with solo style overlay)
