C Am C
I ve been lettin all my friends
Am F
Take my mind off all the troubles
F C Am
They ve all been glad to help me out
F
for a while

Am C
But your memory steps in and I m
Am F
turnin back the pages
F C
Lookin through old photographs and
G C
tryin to find your smile

Chorus
Am C Am
~Old photographs bring back sweet
C
memories
C G
Lookin at the way I held you then
F C Am F
Old phtotgraphs keep you here with me
C Am
Til I find a way to get back in the
G C
picture again~

F C Am
Somethings never change as the years
F
go on between us
F C Am
Like all my love for you still feels
F
the same
F C Am
All those yesterdays that I wanted to
F
remember

F C G
Are sittin here beside me where
C
these old pictures lay
Repeat Chorus

F **C** **Am**
Til I find a way to get back in the
 G **C**
picture again

This is not the exact way to play this song, but it works. I could never find the chords anywhere to this song so I had to do it myself. Plus SB is one of the greatest bands I have ever known~crowAngel.
