

**Every Man Has A Molly  
Say Anything**

Whats happening, this is my version of the chord progression to Every Man Has a Molly.

of my favorites off the album, hope ya like it.

The chord name should come right before the word its supposed to be above.

Verse 1:

Here I [A] am, laid [E] bare at the [Bm] end of my [F#m] rope

I ve [Bm] lost all [F#m] hope so [E] long

Molly [A] Conelly [E] just broke [Bm] up with [F#m] me

Over [D] the revealing [E] nature of these [A] songs

Verse 2: [SAME PROGRESSION]

You god damn kids had best be gracious with  
The much money you spend  
Cause for you, I won t ever have rough sex  
With Molly Conelly again

Verse 3:

Here I am laid bare at the end of my life  
Wishing I had not been born  
Now I ve screwed to much,  
I can never shut it up, I though you should be warned

Verse 4:

And I am abliged by you take the needle to my eye  
Suck down all its glow  
Woah, Molly Conelly ruined my life  
I thought the world should know

Bridge:

I [D] can t [A/C#] stop [Bm] thinking about [F#m] what you did wrong to me

[D] Cant [A/C#] figure [Bm] out just what I did [A/C#] wrong

[D] Kill [A/C#] myself [Bm] thinking about [F#m]things that you did to me

[D] [A/C#] [Bm] Molly [A/C#] Conelly
